INSTRUCTIONS
For Script Writer:
1. The drama should not be an academic exercise and boring. It should give emotional and aesthetic experience to the performers and also to the audience.
2. It should totally engage the audience and give educational message indirectly but effectively. The performers and the audience should feel happy that they have understood and learnt something in.
3. While writing the play, care should be taken with regard to the settings, duration of the play and also the number of artists taking part in the drama.

For Participants:
1. The duration of the play should not be more than 30 minutes.
2. There should not be more than 8 actors (including male & female) as a team for easy mobility.
3. It should convey a scientific message.
4. The drama team should be able to set up and stage the play quickly.
5. The language should be easy to follow (more of visuals preferred).
6. The drama can be in any Indian language (official).
7. The drama can have costumes, dance, music, mime and also models to enhance the quality and credibility of the drama.
8. Written posters / banners / A.V. aids / backdrops can be used for illustration.
9. If presented in any language other than English, or Hindi, the participating school has to submit an authentic Hindi / English translation of the script to the organizer well before staging the drama.
